THE MINISTER OF STATE IN THE DEPARTMENT OF ATOMIC ENERGY (SHRIMATI VASUNDHARA RAJE): (a) The nuclear power generation capacity in the year 1997 was 1840 MWe. The total electricity production from nuclear power in the financial year 1997-98 was 10098 Million Units.

(b) The present nuclear power generation capacity in the country is 2720 MWe. A capacity of 880 MWe was added during the year 2000 by the completion of 4 units of 220 MWe each. In the financial year 2001-02, the electricity generation from nuclear power reactors has been 19,481 Million Units.

(c) In the next five years (upto March 2007, by the end of the X Plan), the unclear power capacity is planned to be increased from 2720 MWe to 4020 MWe.

(d) This capacity addition of 1300 MWe is expected to be achieved by the commencement of commercial operations of TAPP-3 & 4 (2x500 MWe being uprated to 2x 540 MWe) and Kaiga-3 & 4 (220 MWe), that is one unit out of the twin units Kaiga-3 & 4 (2x220 MWe). Unit 4 of Kaiga, Kundankulam-1 & 2 (2x1000 MWe) and RAPP-5 & 6 (2x220 MWe) are also expected to commence commercial operations progressively during the year 2007 and end of 2008 so as to reach a total nuclear power capacity of 6680 MWe by end of the year 2008. These units are presently under construction.

Power generated by atomic power stations

4512. SHRI RAMA MUNI REDDY SIRIGIREDDY: Will the PRIME MINISTER be pleased to state:

(a) the power generated through the atomic power stations during the last five years, year-wise;

(b) whether Government have identified global markets to export nuclear power reactors or components; and

(c) if so, the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF ATOMIC ENERGY (SHRIMATI VASUNDHARA RAJE): (a) The power generated

by the nuclear power plants in the country during the last five years in Million Units (MUs) has been:

Financial Year	Nuclear Electricity Generated (MUs)
1997-1998	10098
1998-1999	12001
1999-2000	13394
2000-2001	17213
2001-2002	19481

(b) and (c) Sir. At present there is no specific proposal to export nuclear power reactors/components.

Telephone connections in Delhi

4513. DR. KARAN SINGH:
SHRI AIMADUDDIN AHMED KHAN (DURRU):

Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether despite written and oral assurances given to telephone users to the effect that all telephone connections in the Union Territory of Delhi under MTNL would be provided within six months from the date of application with due security asking the applicants to make a complaint is not, provided within this period, such applicants have to wait for years together; and

(b) if so, the number of applicants in Delhi who had to wait for their turn for such connections for over six months and over one year since January, 1999 Sector-wise and the reasons for such delay?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI TAPAN SIKDAR): (a) and (b) In MTNL, Delhi the new telephone connections are provided on demand except some localities where underground cable pairs are not available. Some of these pending
